We asked PCS Solutions Ltd to assist us with a tender for a residential refurbishment likely to be in the £400k - £500k range. We were very pleased with the service provided. We found it thorough, cost-effective and prompt, notwithstanding the rather complex specification we were working to and the delayed receipt of full documentation. Paul was straightforward to work with. We will certainly be using them again.

Chris,

We would be very grateful if you could kindly send us a few words via e-mail, so we can add to our Testimonials page on the service you received from PCS Solutions.

Kind regards
