Hi Tara,

How does the following sound:

We find Paul to be the very best type of Quantity Surveyor.

He is commercially astute and possesses an in-depth knowledge of how the Construction Industry ticks.

He has proved to be an invaluable member of our Project Management team and consistently exceeds our expectations.

We would not hesitate in recommending him as a "one stop shop" solution for all your commercial needs.

Dear Michael,

We are preparing a Testimonials page for our website and wondered if you would mind writing a few words regarding our services?

Your contact details would not be shown on our website, client statements only - your privacy would therefore not be compromised.

Kind regards
